

Florida Alliance of Boys & Girls Clubs

OUR MISSION & VISION: To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens; and to provide a world-class Club experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and living a healthy lifestyle.

Support Clubs

With increased and recurring fiscal support, Florida's Boys & Girls Clubs could serve more youth with high quality programming, imbuing them with the skills and experiences necessary to achieve great futures.
